## **Holiday Inn, Nick toon up for kids**

Nickelodeon and Holiday Inn Hotels & Resorts are set to officially open the first Nickelodeon-branded hotel this Memorial Day weekend in Orlando. Nickelodeon said the \$110 million complex features two- and three-bedroom KidSuites with separate bedrooms for parents and kids, a separate kids check-in area, an interactive water park, a 3,000-square-foot arcade, a million-dollar state-of-the-art theater presenting live Nickelodeon entertainment and a Nicktoons cafe featuring select Nick characters including SpongeBob SquarePants and Dora the Explorer. The top-rated kids network said Nickelodeon themes can be found throughout the hotel and each KidSuite features characters from Nickelodeon shows including "SpongeBob," "Rugrats," "The Fairly OddParents," "Jimmy Neutron" and "Danny Phantom."
